## PROGRESS TO DATE

## PROJECTS

Kilgetty &amp; Begelly

- Youth Club assisted as a community project.
- Village appraisal, action plan. Central area development study.
- Environmental group
- Kingsmoor Common disabled path completed.
- Pavement enhancement to Kilgetty completed.
- Future Search exercise undertaken. New Action Plan produced. Grant and support for Business Festival. Environment Group formed.
- Future Search event 2000
- 2<sup>nd</sup> Action Plan completed (SPARC update 2001)
- Sharing Good Practice with new Community Forums
- Sustainable Tool Workshop 2006 – took a fresh look at the 2000 action plan.
- Ongoing support.
- Revised Action plan 2008
- Community garden assisted 2008 (SOF)
- Mediaeval meeting scheduled and further development through action 2 heritage project interested parties to be offered to attend medieval festival in Scotland as part of action 2 f and e project follow up session unlikely before the autumn 07 but hope to pick up enthusiasts from Carew 500
- KL (23.11.07) visit to Lanark Medieval Fest took place in August. No further developments as yet in regards to events with medieval theme
- Festival of car parks took place when no other suitable venue/location was available, support dwindled and other events have since been supported such as the carnival
- Training for local guides to be organized pending offering info from pembs college following mtg held 15.03.07
- Although directory produced for businesses in this area business currently being signposted to other support mechanisms and other area business groups to which they feel closer affiliation.
- Katie's research includes the farm shop at Milton in terms of the local distribution network
- The development of local product promotion in local shops/garage forecourts etc. will also help to achieve some of these aims and this research is also underway.
- The development of a local distribution centre and food processing units is key to many of the local product initiatives, jane/katie/joan exploring various options
- Feedback meeting on research to be held 29.03.07
- All areas targeted for Energy Savers Project via mailshots, Community Group meetings & newsletters,
- Communities invited to awareness events, study visits, & Community Wind turbine Eve, & Micro hydro Event
- SEBBS support for TIC to look at becoming more commercial.
- Action Plan updated 2008

- Accommodation network link.
- Environmental study, Millennium bid. Improvements to Old Tramway (2km) "Miners Walk" leaflet/Walk & Ride leaflet. Interpretation panel.
- Footpath improvements "Miners Walk" leaflet. Station panel. (On South of the Landsker Trail/Walk & Ride Leaflet).
- Revised leaflet 2001
- Village sports facility and Community Centre schemes.
- Community Grant contribution to summer opening of Kilgetty TIC. Community Pride Grants. Makers of Wales Panels erected. Community
- Continuation of pedestrian route and central shopping area enhancement completed.
- Access ramp to Community Centre
- Hosted Valuing the Environment workshop "What a good idea – examples of best practice" Nov 2002
- Village enhancement Fee bid written and sent out to consultants May 2006. Looking at the common area as a centre for interpretation of heritage and the environment.
- Sense of Place funding £370.25 (2005) for heritage exhibition.
- SHOF funding for enhancement and seating 2008
- SE Flagship project – feasibility study produced. Link in with renewable energy people.
