

New Year Workshops

We landfill up to £400,000,000 of textiles every year and each family throw away 6 trees worth of paper every year.
Developing a group in your area can be fun, creative and good for the environment with a potential for enterprise and small business.

Saturday 20th January 2007 Rag rug techniques and groups

Maenclochog Community Hall. 10.30am-3.00pm

The day will include an insight and practice of various rag rug techniques and also support in setting up fabric collections around your community which will help keep the costs of your new hobby to a minimum, and support the environment.

Lunch and tools will be provided but please bring old garments/rags and textiles to make into rugs.

Saturday 27th January 2007 Papier Mache techniques and groups

Bloomfield Centre, Narberth 10.30am-3.00pm

The day will include an insight and practice of various papier mache techniques and also support in setting up paper collections around your community which will help keep the costs of your new hobby to a minimum, and support the environment.

Lunch and tools will be provided but please bring a bowl shape that you like, along with newspaper and card to make into a papier mache bowl.

Please wear clothes which can get messy. Children are welcome but entertainment will need to be brought if they are too young to participate in the work shops.
